If there are enough cars for consolation heat, the entry fee will be \$25 per car. There must be at least 6 cars to run. Heat will run to last three cars. Those 3 will go to feature. There will be no pay outs or trophies for consolation heat. This is a chance to go to the feature. If there are enough compacts to break up and run heats we will, otherwise we will run just one feature heat for the prize money. This will be determined the night of the event.
